

**Another blockbuster in the 50 Quick & Easy series!**

# 50 Quick & Easy Reading & Writing Computer Activities

**CD** contains example files from PowerPoint, Word, Excel, and Inspiration.

Aligned with NCTE Standards

**Tammy Worcester**  
Lindsborg, Kansas

Tammy Worcester is the Instructional Technology Specialist at ESSDACK. She has over twenty years of educational experience. Tammy was a classroom teacher at various levels from kindergarten to 8th grade, and she also served as the technology director for her K-8 school. For the past eight years, Tammy has worked for an educational service center (ESSDACK), providing staff development and training in the area of technology integration.

## Cool Web Tools

Provides a web page of links and takes participants on a quick tour of some of the powerful, interactive websites available for language arts.

## Teacher Tools & Tips

Teachers gain practical ideas for using the computer for teaching reading and writing mini-lessons, charting student progress, and printing scoring sheets onto sticky notes.

## Reading Activities

Participants learn how to use Inspiration (story maps and character analysis) and Microsoft Office (reading response journals and book review alternatives) to support reading skills. Student examples will be shared.

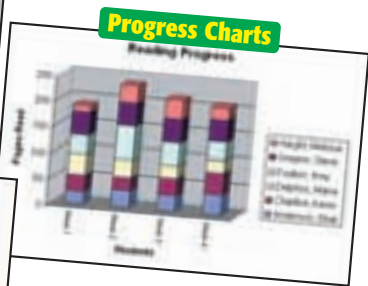

## Writing Activities

Learn dozens of clever student-publishing ideas that incorporate word processing, desktop publishing, and multimedia projects (time capsules, brochures, posters, and circular stories).

**Plus many more activities!**

Designed to equip teachers with an array of technology tools that can promote the development of reading, writing, and critical thinking. Using these tools, educators can transform reading and writing from static, print-based exercises into multi-sensory, interactive experiences. **Grades K-8**

**DOES NOT include application software.**

## Each activity specifies:

- Grade Level
- Appropriate Software
- Materials/ Equipment Needed
- Web Resources
- Teacher's Role
- Student Instructions

System Requirements:  
Macintosh: 4 MB RAM, System 7 or higher
